Penguin LCC US Nov 2015, 2015. Taschenbuch. Condition: Neu. Neuware - In this entertaining and observant memoir, Johns takes us on a tour of his world during the heady years of the sixties, with beguiling stories that will delight music fans the world over, such as when he had to bail the Steve Miller Band out of jail on their second day in London, his impressions of John and Yoko during the Abbey Road sessions, or running into Bob Dylan at JFK and being asked by Dylan to work on a collaborative album with him, the Stones, and the Beatles, which never came to pass. Johns was there during some of the most iconic moments in rock and roll history. 336 pp. Englisch.
