

Essays on Life, Art and Science

By Samuel Butler

Dodo Press, United Kingdom, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Samuel Butler (1835-1902) was a British writer strongly influenced by his New Zealand experiences. He is best known for his utopian satire *Erewhon; or, Over the Range* (1872) and his posthumous novel *The Way of All Flesh* (1903). He went up to his father's alma mater, St. John's College, Cambridge, in 1854. Following graduation from Cambridge, Butler lived in a low-income parish in London. In September 1859 he emigrated to New Zealand. He wrote about his arrival and his life as a sheep farmer on Mesopotamia Station in *A First Year in Canterbury Settlement* (1863). *Erewhon; or, Over the Range* revealed Butler's long interest in Darwin's theories of biological evolution, and in fact Darwin had, like him, visited New Zealand. His close interest in the art of the Sacri Monti is reflected in *Alps and Sanctuaries of Piedmont and the Canton Ticino* (1881) and *Ex Voto: An Account of the Sacro Monte or New Jerusalem at Varallo-Sesia* (1888).

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).

-- Jaqueline Kerluke

I just started looking at this pdf. It can be really fascinating through studying period of time. It's been printed in an extremely basic way and is particularly only following i finished reading through this publication where in fact altered me, change the way i really believe.
