## Truth!.: Rod Stewart, Ron Wood and the Jeff Beck Group

By Dave Thompson

Cherry Red Books, United Kingdom, 2006. Paperback. Book Condition: New. 232 x 144 mm. Language: English . Brand New Book. Jeff Beck stands alongside fellow ex-Yardbirds Jimmy Page and Eric Clapton as one of the greatest electric guitarists Britain has ever produced. His work in the past three decades has encompassed progressive, soul, jazz-rock, and instrumental music, winning him the accolade of the guitarist s guitarist from innumerable musicians magazines. Yet despite his eclectic output and many collaborators, fans and critics alike hark back to the short-lived Jeff Beck Group of the late 1960s, featuring Rod Stewart on vocals and Ronnie Wood on bass, as his greatest single contribution to rock music. Some go as far as to say that Truth, their first album from 1968, was the first true heavy metal album, a prototype that set the style for countless (and inevitably less talented) outfits to follow.

### Reviews

*Definitely among the best book I have got possibly study. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
