In addition, you may need a CourseID, provided by your instructor, to register for and use Pearsons MyLab and Mastering products. Packages Access codes for Pearsons MyLab and Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- This entry-level text can help any learner successfully master the basic math skills needed in today's health professions. This edition's fresh, open, full-color design includes far more white space for student practice, plus many new learning features. **MATH BASICS FOR HEALTHCARE PROFESSIONALS, 4e** begins with a comprehensive pre-test to gauge students' abilities and remediation needs. Next, it offers practical, health-centered coverage of pre-algebra, the metric system, reading drug labels, medicine cups, syringes, intravenous administration bags, parenteral dosages, basic intravenous administration, and basic dosage by weight units. Each unit provides a 15-question pre-test, followed by concept review, instruction, examples, practice problems, critical thinking questions, and a 15-question post-test. Appendices include answers to odd-numbered practice problems, additional practice, a comprehensive post-test, and new...
