Little, Brown Company, United States, 2013. Paperback. Book Condition: New. Reprint. 208 x 137 mm. Language: English . Brand New Book. Ori Taylor is the lead singer, guitarist, and songwriter of the Band To Be Named Later, a garage band he started with his friends. After years of being known as the mini version of his sports-star brother, Del, Ori is looking forward to stepping out of his older brother's shadow, learning to perform in public, and rocking the Battle of the Bands contest. Oh, and maybe finally working up the nerve to talk to a girl in person instead of just over e-mail. But when Del suddenly returns from college, he expects Ori to step back into his role of little brother, just when Ori is starting to come into his own. With his confidence wavering, will Ori be able to overcome his stage fright and lead the band to rock glory? Will the Band To Be Named Later ever get a real name? Will their best performances remain in the garage? Denise Vega's deft exploration of brothers, bands, friends, and crushes promises to have readers tuning in page after page, because among all the ups and downs of being a teen, one thing's for sure: It's hard to rock out in high school.
