Paperback. Book Condition: New. Not Signed; This is a book to make your own. Fill the pages with your thoughts, dreams, memories and ambitions. Explore your world and make your mark by reflecting on your experiences. Cut and paste, create and play, collage and keep. Collage and Keep is a visual journal and keepsake where the reader is encouraged to participate in collage based activities that explore and reflect on their own experience and perspective of life. Whilst some pages seek a more personal engagement, for example relating to memory or desire, others simply provide a space to 'recreate your favourite book cover' or produce a 'collage quilt' using collected ephemera from friends and family. Including helpful tips and basic principles of collage, the reader is guided to source materials from their everyday world and to look for what is beautiful, inspiring or unusual to them.
