From Sunday Times bestselling author Adele Parks comes a touching story about the ups and downs of love, marriage and family. Published as part of the Quick Reads series. Lisa is forty-two, divorced and a mum of three. For the past year, she has been going out with Mark, who is five years younger than her. Lisa really likes him but she worries that one day he will leave - just like her ex-husband did. On top of everything else, Lisa feels really tired and moody, and has put on weight. She thinks it's the menopause - but could there be another reason for how she's feeling? Lisa's life is about to change in a big way but does she want Mark by her side? Does he even want to be there? With the help of her family and friends, Lisa starts to believe that a second chance of love and happiness might just be possible.
