

String Builder, Bk 2: Violin (Paperback)

Filesize: 3.06 MB

Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which I really altered me, altered the way in my opinion.

(Dr. Alexa Rogahn)

STRING BUILDER, BK 2: VIOLIN (PAPERBACK)

Alfred Music, United Kingdom, 1985. Paperback. Condition: New. Language: English . Brand New Book. The Belwin String Builder is a string class method in which the violin, viola, cello, and bass play together throughout. Each book, however, is a complete unit and may be used separately for class or individual instruction. The material in this book is realistically graded so that only a minimum of explanatory material is required. Each melody is interesting and will provide the basis for a fine left hand technic and bow arm. Available in three levels for violin, viola, cello, bass, piano accompaniment, and teacher s manual.
