Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the first book in the Kael Jai series, we are introduced to Kael Jai, a young ruler from a planet called Trinoor. Kael Jai was cast out of Trinoor after being defeated by Jindom. After a year of exile on Earth, a Keeper named Sylph is sent to Earth to find Kael Jai and warn him of new attacks by specialized robots sent to find Kael Jai and kill him before he can return to his home-world. In the second book, Sylph is sent to Earth to protect Eva and Sam from an unknown enemy that threatens both Earth and Trinoor. In this third installment of the Kael Jai series, the unknown enemy Kael faced in book two has been unmasked. Now Kael Jai knows the name of his enemy, but that doesn't make his battle any easier. In this action-packed book, Kael struggles to keep his newly formed government together while protecting the people of his planet. Two of his best warriors are still stuck on Earth, and the virus that has crippled their technology has cut off all communication with them. Kael has no idea if they are even still alive. He sends two warriors to Earth to find them and, if they are still alive, to bring them home. When Aniya finally returns with Eva and Sam, she does not bring good news. Kael learns that he is not fighting just one enemy but many, and worst of all, Sylph has vanished. Kael must now fight to save his loyal Keeper, and his planet, from one of the most deadly assassins Trinoor has ever known.
