## THE DISTRIBUTION OF BONE MASS IN THE CROSS SECTION OF HUMAN VERTEBRA

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | One hundred two cross sections of thoracic and lumbar spines at the base and at half the length of each (76 years old male, 63 years old male, 74 years old female) were examined with respect to x-ray density. The distribution of x-ray density was recorded using the computer densitometry. The density distribution was displayed in 10 colors and density level, as a graphical two-dimensional image. An irregular distribution of density on...

### Reviews

---

*An incredibly great ebook with lucid and perfect reasons. It is really basic but excitement within the fifty percent of your book. Its been designed in an extremely simple way and is particularly simply after i finished reading this book by which actually changed me, affect the way in my opinion.*

-- **Dr. Fiona Grimes PhD**

*Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.*
