Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Two Sermons: Preached on the Twenty-Fifty and Fortieth Anniversaries of the Author s Pastorate The Committee having this publication in charge, have instructed me that the Congregation wish to preserve, in connection with the Anniversary Sermons, certain papers which they deem essential to the History of the Tenth Church, The papers so designated and which are referred to in one or both of the Sermons are accordingly printed in the Appendix. The Committee further inform, me that the interest expressed by my people in the extract given in the second discourse, from my Inaugural Sermon, (May 10th, 1833,) was so marked, as to justify them in imperatively requiring that more of that sermon be placed within their reach. Some further quotations are therefore added. A few paragraphs, on various topics, omitted in the delivery, are included in the sermon of the Fortieth Anniversary.
