Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The atrocities of time leave none unscathed; capital ground rule to a happy existence is to let not dust settle on the truth that life is but a temporary prison term which ends, or rather sets you free, with death! Whoever said romance and suspense are genres distinct? Edge of Link succinctly blurs the line between genres diverse as science, love, psychology, suspense, metaphysics are moulded into one compelling read. The small dingy room had been Brendon s refuge for over four months now. He had outlived his sojourn in Chennai by over ninety days. At the onset, when he had sketched the blueprint with Ankit, they had set the forecast of the project s completion to one month. Little does Brendon realise, before flying to far-flung Chennai, miles away from his home in Mumbai, that the idea Ankit had conceptualized were to evolve into being the most convoluting project he had ever wracked his brains on. Read first chapter for free on if you like it? And we hope you do. You can always come back order your full copy.
