Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

BRAND NEW UNREAD BOOK. Deals with the startling fact then the illegal trade in exotic and endangered species is the third largest in organized crime, after narcotics and arms running. In Florida it is 2nd only to narcotics. Such is what is going down in Mangrove Bay, the end of the road, an outpost on the southern tip of Florida, beyond which lies nothing but endless swamp and danger, where Walter Morrison, working undercover for the U.S. Customs Service, has been there less than three weeks. He has already seen evidence of wildlife smuggling, boatloads of exotic species of birds and mammals being ferried in the dead of night through the fast-running streams of the Everglades. These animals can wind up in private hunt clubs and even "respectable" municipal zoos, pet stores. almost anywhere. The money to be made is enormous. And Morrison is a loner--but he now must reach out to an unlikely array of people: a Guatemalan migrant worker here to avenge the death of his sister; a retired Coast Guard Admiral who misses the action, and even a small-time New York hood on the lam from the mob; and the beautiful and seductive girl friend of a sleazy hustler. BRAND NEW UNREAD COPY. Trade Paperback Sized. A rectangular, "Advance Reading Copy" sticker on bottom back cover, and a little sticky remnant from a removed label on front. Can be felt a bit, but not seen and the full cover art is present and unimpinged. New in pictorial wraps.
