### Reviews

*Very beneficial to all category of folks. We have study and that i am sure that i will planning to go through yet again again in the future. Its been printed in an extremely straightforward way in fact it is just soon after i finished reading this pdf where actually changed me, alter the way i really believe.*

Moody Press,U.S., United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. The deadliest animal in the jungle is the two legged kind.Nina Truman is a missionary nurse, serving in a tiny Guatemalan town not far from the Mexican border. It s a fulfilling life, tending to the village poor, a way to serve in the country from which she was adopted. The day she leaves on furlough, is the day her life falls apart. Her bus is ambushed and she must flee from forces who inexplicably wish her dead. Trapped between a ruthless drug lord and his assassins, a corrupt police chief, and colleagues with ulterior motives, her friends may prove just as deadly as her enemies as she uncovers a plot tangled deep in the roots of her own past.Nina s only hope of survival lies in the hands of Shaw Wilder, a man who despises missionaries and the God they serve. His skill is in handling a landmine detection dog, not helping a woman he blames for the death of his sister. When the lethal drug kingpin El Escorpion seeks to capture Nina, and the local police are no help, Shaw has to choose: flee into the Guatemalan jungle with a naive woman who has vowed never to take a life or follow his own spiritual demons and walk away. His choice may leave them both imprisoned in a jungle from which neither will escape.
