Reviews

This published publication is fantastic. it had been written very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

HANDBOOK OF GYNAECOLOGICAL OPERATIONS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Handbook of Gynaecological Operations Ovariotomy has been chosen as the type of abdominal section, and several chapters are devoted to the steps of that operation and to after-treatment. In preparing those chapters, I have availed myself of a long series of notes of nearly nine hundred abdominal Operations at which I have assisted, including cases under my own care. The success of surgery of this class depends largely upon matters of detail readily recorded by the experienced, and thus transmissible through literary channels to those who seek for instruction. On the other hand, the steps of plastic procedures cannot be easily taught by printed directions; they may, however, be fairly explained by diagrams, and the success of operations of this kind depends upon other factors besides manual dexterity. I have said little about the results of major operations, since long tables of statistics prepared by experienced operators are unreliable guides to those who have few opportunities of performing abdominal section. My friend Dr. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
