Reviews

*Very beneficial to all category of folks. We have study and that i am sure that i will planning to go through yet again again in the future. Its been printed in an extremely straightforward way in fact it is just soon after i finished reading this pdf where actually changed me, alter the way i really believe.
(Emmett Mann)*

A PRACTICAL COURSE IN MECHANICAL DRAWING (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. Dimensions: 9.0in. x 6.0in. x 0.3in. Excerpt from A Practical Course in Mechanical Drawing NO practical draughtsman will criticise us for not starting with the traditional geometric problems that, from time immemorial, have adorned the introductory pages Of Manuals Of Mechanical Drawing. We have reason to believe that the average student does not appreciate the beauty and use Of Euclids Geometry and Monges Descriptive Geometry, if these subjects are introduced before their bearing and practical application are understood. We reserve the introduction Of such scientific work for a second part, hoping thereby to arouse an interest in advanced problems that necessitate strictly mathematical constructions. The subject is best taught with the use Of models, instead Of sketches and pictorial illustrations. A glance through the book will convince the teacher that a set Of models corresponding to the exercises can be easily procured. The result Of the instruction will then be real instead Of imaginary, since the student knows absolutely what his drawings represent, and need not rely on an untrained imagination. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. This item ships from La Vergne, TN. Paperback.
