Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Country Beyond, subtitled A Romance In the Wilderness, is a story of Jolly Roger McKay, an outcast on the run from the law; Nada, the girl he falls in love with; and Peter, the devoted mixed-breed dog who links the two together as no human could, as action, adventure, and romance take them through the Northwest Canadian wilderness in search of The Country Beyond. Once again, James Oliver Curwood spins a tale of adventure and romance in the Canadian wilderness with an interesting twist. In this book, the good are not so very good, and the bad becomes the hero in the end. The Law puts Jolly Roger McKay on the run, separating him from his love, Nada. Peter, the half Airedale, half Mackenzie hound called Pied-Bot is torn between the two and determined to protect both against all enemies, man or beast. This is a heart-rending tale of love and heroics between a man, a woman and their little dog, Peter.
