BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Lt. Mellie Blake is looking forward to beginning her training as a flight nurse. She is not looking forward to writing a letter to a man she's never met -- even if it is anonymous and part of a morale-building program. Lt. Tom MacGilliver, an officer stationed in North Africa, welcomes the idea of an anonymous correspondence -- he's been trying to escape his infamous name for years. As their letters crisscross the Atlantic, Tom and Mellie develop a unique friendship despite not knowing the other's true identity. When both are transferred to Algeria, the two are poised to meet face-to-face for the first time. Will they overcome their fears and reveal who they are, or will their future be held hostage by their pasts? Combining a flair for romance with excellent research and attention to detail, Sarah Sundin vividly brings to life the perilous challenges of WWII aviation, nursing -- and true love. I love the nostalgia and drama of the WWII era. No one takes me back there better than Sarah Sundin. With Every Letter is a beautiful love story and has everything you want in a novel: romance, suspense, and characters you care about from the very first page. A marvelous beginning for her new series. I can't wait to read the next book. -- Dan Walsh, award-winning and bestselling author of *The Discovery*.
