

Malaysia Flight Mh370 - Lost in the Dark: In Defense of the Pilots: An Engineer's Perspective (Paperback)

By John P Choisser

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The missing flight isn't in the news quite as much now. The pings have stopped, and the search is entering a second, much slower, phase. The unanswered questions are many. But by most accounts, it is being assumed that the pilots are criminals, suicidal maniacs, hijackers, or terrorists, since no one else on the airplane appears to fit those descriptions. It may be a long time before we know for sure, but in the meantime, I believe the public, and particularly the pilot's families, need to know that there is a high likelihood that they are victims, and heroic victims at that. The purpose of this book is also not to place blame on anyone in particular, although, as we'll see, there might have been an opportunity to save the airplane. In the news, there does not seem to be much credibility given to the possibility that what happened was an accident. A rare accident, we hope, but an accident nonetheless. But even given an accident, can blame be placed for making the situation worse? Could...
