Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Astro Boy is a remake of the 1960s anime series of the same name created by Osamu Tezuka, which was produced by his company, Tezuka Productions, and the anime television network, Animax, who have broadcast the series across its respective networks worldwide, including Japan, Southeast Asia, South Asia, East Asia, and other regions. In 2003, a new Astro Boy anime series was created to celebrate the birth date of Astro Boy (as well as the 40th anniversary of the 1963 series). Under the original English name (instead of Tetsuwan Atom), it kept the same classic art style as the original Astro Boy manga and anime, but was revised and modernized with more lush, high-quality, near-theatrical animation and visuals. It combined the playfulness of the early anime with the darker, more serious and dramatic Science Fiction themes of the manga and the '80s anime. The anime broadcast in Japan (on the same date as Astro's birth in the manga, April 7, 2003) across Animax and Fuji Television, with lots of fanfare. It was directed by Kazuya Konaka and written by Chiaki J. Konaka. 100 pp. Englisch.
