Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

MURDER AT THE OPERA (PAPERBACK)

Ballantine Books, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Margaret Truman, who knows where all the bodies are buried inside the Beltway, has written her most thrilling novel of suspense yet. Murder at the Opera features the popular crime-fighting couple Mac Smith and his wife, Annabel Reed-Smith, as they navigate the glitz, glamour, and grime that is Washington, D.C. It ain't over till the fat lady sings . . . but the show hasn't even started yet when a diva is found dead. The soprano in question, a petite young Asian Canadian named Charise Lee, was scarcely a star at the Washington National Opera. But when the aspiring singer is stabbed in the heart backstage during rehearsals, she suddenly takes center stage. Georgetown law professor Mac Smith thought he'd just be carrying a rapier in Tosca as a favor for his beloved Annabel, but now they're both being pressured by the panicked theater board to unmask a killer. Providing accompaniment will be former homicide detective, current P.I., and eternal opera fan Raymond Pawkins. Soon the Smiths find themselves dangerously improvising among an expanding cast of suspects with all sorts of scores to settle. What they uncover is an increasingly complex case reaching far beyond Washington to a dark world of informers and terror alerts in Iraq, and climaxing on a fateful night at the opera attended by none other than the President himself. From the Hardcover edition.
