That is until she collides with the town moose, wrecking her car, and meets the most handsome man she's ever seen. Unfortunately, her saviour and son of her client, Will Abbott, wants nothing to do with the new website or the city girl creating it. For all Will cares, Cameron can march her fancy boots right out of town and his family's business. But he can't seem to get her out of his head. As the chemistry between the two heats up, they begin to wonder if simple could be best - especially when it comes to matters of the heart.
