There will be no more death or mourning or crying or pain, for the old order of things has passed away. Revelation 21:4 A quick look around our world should convince even the most blindly optimistic that this new world described in Revelation 21 is yet to come. Tragic stories abound on this fallen planet. And Niki's story is a tragedy. A sudden severe brain injury crippled her remaining days, while leaving family and friends flailing. To those who'd known her before, she would become a shadow of herself, severely compromised and left in what has been medically described as a minimally responsive state. Where was God during all this? Frank, her husband, said that He was working. Some might wonder, working? Where? Doing what? That is the subject of this book. Author Chris Snidow presents a disparate group of people, circumstances and situations that the Lord used in unlikely and powerful ways. They would witness to many, while at the same time bringing God's peace and compassion to some least expecting it. You'll meet people from Columbia, France, Zimbabwe, America and Rwanda, who were both intimately involved in and deeply touched by this story. And you'll meet a Heavenly visitor as well. Yes, God IS working.
