Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.SIT. STAY (vol. I in the printpoetics chapbook series) is a poetry chapbook for anyone who is a person and not a template. The printpoetics chapbook series offers thought provoking material condensed into tiny reads in a style far less delicate than what we are used to seeing in A.L.D. Chalom s previous work (see ONE - a poetry collection). The different volumes dissect hot-potato subjects such as social injustice, discrimination, abuse, stereotypes, sexuality, gender, LGBTQ issues, women s rights, feminism, racism, bullying, loss, drug use and abuse . the list is endless and the series is an ongoing project, constantly adding volumes to the series. The chapbooks vary in style; some including poetry, some prose, some a mix. Trigger warning for books in this series: abuse, rape, non-censored language.
