Contents: Chapter kids love the children from the beginning the liberation of children from birth. it means an independent, autonomous new life was born. However, many parents do not realize this, their thoughts and considerations, actions, and not really the child as a separate entity. Love children, please liberate the child, this is not only healthy growth of children's spiritual security, it is a child become an independent individual requirement. No education, no respect for parents not to do everything offside Talk with your kids squat to maintain the child's self-esteem to speak to the children and the children the opportunity to express good at listening to the voices of children so that children make their own decisions to develop children's self-awareness to create empathy with the kids democratic family atmosphere to teach children self-reliance should not Destructive Enthusiasm Chapter child's elementary education elementary education, is a scientific development, gradual process. However, many parents are holding the anxious state of mind. This intellectual development of children and foster awareness of thinking is negative. If the parents blindly advance the education, the child's mental development is not in place to absorb knowledge can not advance, so not only did not educational results, but will cause the child to learn the knowledge of the processes of boredom, a sense of fear, no end of trouble. Elementary education is not the sooner the better not to rush to get the child's educational outcomes is the nature of fun to help kids learn to play it is premature to develop children's powers of observation to learn English to stimulate children's imagination to appreciate your children's...
