## PROMOTING THE COMMON GOOD: BRINGING ECONOMICS AND THEOLOGY TOGETHER AGAIN (PAPERBACK)

Shepherd-Walwyn (Publishers) Ltd, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. Modern economics has deliberately divorced itself from all moral and ethical considerations in the belief that it needs to be a value-free science. In schools and universities students are taught that what matters is maximising profits and cutting costs - any other considerations are irrelevant to them as economists. This is the philosophy which guides multinationals, governments and international institutions like the World Bank and...
