Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Clodpole Papers Bucephalus, equus Alexandri, c. Which means in plain English that Bucephalus, the horse of Alexander, would suffer no rider but his master. Every school boy remembers that sentence. Now for the Clodpole translation and commentary. Old Dobbin, the literary Bucephalus of the Author, allows no rider but his master, so stand back all ye musketo critics, quacks of the grey goose quill, (or duck s quill.) literary goslings, and long-eared editors, or my steed may chance to trample you in the mud or snort you into nonentity. Hang the dedication, says he, and all the miserable flip-flappery and clap-trappery of mousing authors, publishers, editors and puffers. It s all literary gammon and humbug. Hang it all, says he, don t have any dedication - throw out your book on its merits, to break its own way un-shod through tho rotten soil of public sentiment and opinion. Let it loose in the streets, parlors and counting-houses of the city, like a wild horse from the western prairies, without saddle, bridle, rein, whip, spur or martingale, all...
